# BEST WASHINGTON WINE LIST

## 2004~2005~2006~2007~2008~2009

### Washington Association of Grape Growers 2007 Restaurant Award

#### 15 Years Wine Spectator “AWARD OF EXCELLENCE”

*Wine lists should be fun to peruse! Enlightening but not intimidating. Informative, yet not overpowering but most important of all there is no wrong choice! Some wines will be pleasing, some will make memories but remember in the final judgment the only mouth the wine has to please be your own.*

*Savor the experience!
